

Innovations of Geoff Taylor

Summary: Total Ideas = 204

(Sorted chronologically):

1. One Stroke Magnetic Engine
 - Sterling version
 - Solar version
 - Micro motor battery replacement
2. Tilt generator
3. Externally Fired Rotary Generator
4. Internal Combustion Rotary Generator
5. Free Floating Wankel Rotor
6. Pile Driver Version Magnetic Generator
7. Turbine Engine Generator
8. Tip Wind Generator
9. Vacuum Assisted Wind generator
10. Removable Reinforcements
 - Oval
 - Rectangular
11. Wheel Chair Transfer board
12. Rough Terrain and Hockey Stick Crutches
13. Sit Cane
14. Stuff Tubes
15. Non-Swiveling Caster Wheel
16. Variable Tension for Rope
17. Anti-Corrosion Foam
18. Tilt Mouse
19. Resistive RFID
20. No Fog Ski, Perfect Vision, Mask
21. Tie Wrap and Dispenser "Slab Locks"
22. Meat Tenderness Tester
- Contraction Strength Meter
23. In Shoe, Orthotic Maker
24. Pressure Relieving Pants
25. Piezo Electric Generator Flag
26. Drive Forward and Sideways Wheel
27. Compound Curve Shaped EDM Electrodes
28. Wine Vineyard Soil Moisture Measurement Array
29. Acoustic Underwater Mouthpiece
30. Acoustic Engine Analysis
31. Four String Steerable Sail Boat Spinnaker
32. Low Friction Barge - Low Friction Bubble hull
33. Vacuum Dirigible
34. Sit/Stand Chair
35. Air Tilt Chair
36. Laser White Cane
37. Elevator Cushion
38. Small Parts Counter

39. Dual Paddle Boat Propulsion
40. Paddlewheel for Canoes and Kayaks

41. Paddle for Canoes and Kayaks
42. Advertising on Subway Tunnel Walls
43. Laser Engine Torque
44. Louder Taps for Tap Dance Shoes
45. Variable Pitch Auger Drive for a Snow Machine
46. Custom Fit Toes for Ballerina Point Shoes
47. Rifle Launched Aerial Surveillance Kite
48. Shock Absorbing Energy Return Bike Wheel
49. Pool Pogo Stick
50. Air Driven Top
51. In Bed Reade or "LayZ" Reader
52. Water Rockets
53. Water Babies
54. Non-Copy Able Paper
55. Steer Able Underwater Camera
56. Self-Propelled Fire Hose
57. Water Dam with Floating Topper
58. Water Loglettes
59. Loglette Seal
60. Hanger Door Seal
61. Vacuum Pack Baggy
62. Continuous Blood Pressure Monitor
63. Everything in Focus Camera
64. Stereo Depth Camera
65. Time Based Camera Imaging Technique
66. Sunglass Plastic
67. Combo Razor
68. Variable Pitch Attachment for Outboards
69. Counter Rotating Prop
70. Bug Zapper/ ICBM Laser
71. Hollow Quarter Round
72. YoYo Frisbee
73. Yo Yo Stick
74. Screw Driver Retaining Head
75. Flip Up Tractor Kite Rotating Tow Ring
76. Plasma Sand Coater
77. Ice Cream Scoop
78. Bag Fire Extinguisher
79. Power Recovery Alternator Electronic Attachment
80. Jacob's Drive
81. Rolling Ball
82. Chip/Straw Furnace
83. RHS Wing Mirror
84. Thoriated multi Stage lantern
85. Spiral Wire Holder Screw
86. Police Paintball Markers
87. Pee Shooter
88. Scooter Drive Tracks
89. Wireless Fish Cam

90. Floating Candle Wick
91. Solar Cell Mirrors
92. Roll Metal Roofing
93. Atmos Piezo LED
94. Non-Contact Record Player
95. Security Camera
96. Wire Bound Wind Generators
97. Hyper Spectral Camera
98. Golf Swing Analyzer
99. Horse Girth Strap
100. Race Track Wind Generator Game Park
101. Braking Power Recovery Unit
102. Spark Plug Vent Power Saving
103. Camera/HUD
104. 360 Degree View Camera Add On
105. Air Shock Absorbing Pillow
106. Combo Solar and Pelletier
107. Ultrasound Echo Eyes
108. Winter Boom Golf
109. Smart Support Surface
110. Total Rotating Turbine Furnace Engine
111. Leftover Soap Reformer
112. Heat Shrink Electrical contacts
113. Calibrated Wind Speed flags/Wind Socks
114. Solar Light Tower
115. Barometric Change Indicator
116. Shin Walker
- one version available - Iwalkfree
117. Direct Drive Two-Wheeler
118. Moving Water Walkway
119. Mag Lev Bearings
120. Hover Rail
121. Spinning Autorotative Wing
122. Vein Imager
123. Gyroscopic Unicycle
124. Series Ejector Jet
125. Total Rotating Turbine Engine
126. Spot Check Magnetic Particle Inspection Pen
127. Fuel Evaporative Air Cooler
128. Balanced Rod Toys
129. Balloon Powered Helicopter
130. Velcro Tubes
131. Plaster/Fiberglass Rod Casts
132. Bubbly Water Tablets
133. Velcro Roof Pockets
134. Check Valve Bottle Caps
135. Wind Collector stack
136. Ratcheting Tube Squeezer
137. Inertial Tire Insert
138. Teeter Tauter Log Splitter
139. Fish Eye Spot Focus Lens
140. Boat Trailer Floats
141. Portable Hair Dryer
142. Diesel Hammer
143. Track Drive
144. Ballistic Photon Imager
145. Triangle Shin Walker
146. Crutch Carrier
147. Wind Turbine Augmenter
148. Tri Hull Shock Absorber Boat
149. Tip Magnets Generator
150. Add on Downdraft for Toilet Seat
151. Counter Rotating Turbine Engine
152. Crotch Peg Leg
153. Image Sensor Colour Differentiation by Depth
154. Automated Eye Glasses
155. Parasail Wind Generator
156. Gyro Stabilized Ball chair
157. Capacitive/Resistive Touchscreen
158. Transistor Heat pump
159. Combo Velcro
160. Self-rolling Toothpaste Tube
161. Walker for Paraplegics
162. Ice Walker
163. Skateboard Luggage
164. Differential Lighting for Cameras and Microscopes
165. Key Guide for the Blind
166. Two Legged, Gyro Stabilized, walker
167. Winter Bike – Zipper Drive Belt
168. Wearable UV Index Indicator
169. Whip Pole for Wake Surfing
170. Pinched extrusion anti Slosh
171. Roto Molded Building
172. Gold Imaging
173. Eye Glasses Prescription Automation
174. Adjustable Eye Glasses
175. Pin Hole Camera
176. Step in Lace Lock for Shoes
177. Tapered Tube Compressor/Engine
178. Tipping Snow Scoop
179. Vacuum Straw
180. No Snore U tube
181. Two Slit Depth Imager
182. Spring Shoes
183. Dual purpose Windshield Wipers
184. Spring Engine
185. Piezo Electric Battery Replacement
186. Automatic Transmission
187. Step Quad
188. Rippling Pressures Edema Wrap
189. Air Valve for Incontinence and Other Bags
190. Chain Saw Drive
191. Inductor Jet
192. Snow Walker
193. Large Volume Low Force Syringe
194. Pedal Snowboard
195. Ice Skateboard
196. Instant Hot Water
197. Anti-Shear Bed Pad
198. No Shear Bed
199. Low Pressure Bed Topper
200. Swivel for Vacuum Hose
201. Equine Pulse Display

202. Band Pass Ear Buds

204. Sonic Blade Shaver

203. Two Layer Pants

Included in the general list are:

30 Medical : Wheel Chair Transfer board, Rough Terrain and Hockey, Stick Crutches, Sit Cane, Meat Tenderness Tester – Contraction Strength Meter, In Shoe Orthotic Maker, Pressure Relieving Pants, Sit/Stand Chair, Air Tilt Chair, Laser White Cane, Elevator Cushion, In Bed Reade or “LayZ” Reader, Hyper Spectral Camera, Shin Walker, Direct Drive Two Wheeler, Vein Imager, Plaster/Fiberglass Rod Casts, Fish Eye Spot focus Lens, Ballistic Photon Imager, Triangle Shin Walker, Crutch Carrier, Crotch Peg Leg, Image Sensor Colour, Differentiation by Depth, Automated Eye Glasses, Gyro Stabilized Ball chair, Three Legged Walker for Paraplegics, Key Guide for the Blind, Two Legged, Gyro Stabilized Walker, Wearable UV Index Indicator, Eye Glasses Prescription Automation, No Snore U tube, air valve for bags.

23 Boat (convertible roof, shock absorbing separate hull, tri hull shock absorber out, riggers, cabin heater, window defrost, electric windows, automatic transmission and variable pitch prop, retractable foil lifters, bubbler low friction hull, sound reflector, anchor buddy release rewind, GPS auto pilot, cruise control, bow foil stabilizer, wake surf displacement hull, triangular hull, counter rotating props, inlet guide vanes for prop, spring steel keel, variable displacement water pump/jet/prop, ducted prop, winglets for prop, side stick control)

6 Horse (One way friction cinch, Bra style cinch, Fixed cinch tension, Cinch tension meter, Electric whip, Light weight saddle blanket, Anti Cribbing technique)

31 Green (Environmentally appropriate; included in the General List: One Stroke Magnetic Engine, Tilt generator, Tip Wind Generator, Vacuum Assisted Wind generator, Piezo Electric Generator Flag, Low Friction Barge, Shock Absorbing Energy Return Bike Wheel, Variable Pitch Attachment for Outboards, Counter Rotating Prop, Power Recovery Alternator Electronic Attachment, Floating Candle Wick , Solar Cell Mirrors, Wire Bound Wind Generators, Race Track Wind Generator Game Park, Braking Power Recovery Unit, Spark Plug Vent Power Saving, Combo Solar and Pelletier, Total Rotating Turbine Furnace Engine , Leftover Soap Reformer , Solar Light Tower , Moving Water Walkway , Mag Lev Bearings , Fuel Evaporative Air Cooler, Wind Collector stack

10 Top rated general ideas; included in the general list: Echo Eyes, Non Swivel Caster, Slab Locks, Self Propelled Fire Hose, Plasma Sand Coater, Bag Fire Extinguisher, Paint Ball Markers, Air Shock Absorbing Pillow, Diesel Hammer, Wire Bound Wind Generator.
